Welcome

We would like to welcome Rose into Reception and Thomas into Year 3. I am sure you will all make our new children feel very welcome at Hazelbury Bryan Primary School.

Music Lessons

We are very fortunate to have 3 excellent music teachers coming into school; Mr Dave Gassmann who currently teaches the flute, Mr Tom Clements teaching the guitar/ukulele and the piano is taught by Mr Kingsley McGregor.

Thank you to those parents who have informed us that their child would like to continue learning. If you would like your child to learn an instrument and have not told us, please let the office know by **Monday 10 July**.

Sponsored Swim Thank you

A massive well done to all of the children who took part in our sponsored swim. We raised an amazing £1,337. Thank you for your support. We are overwhelmed with so many generous donations and look forward to developing our pool area even more next year.

An extremely generous donation

Hazelbury Bryan Trust Fund has made an extremely generous donation to our school in memory of Peter Boissier who was the founder of the trust and the person that worked hard to raise much of the money. Hazelbury Trust Fund Trustees wish to finish what Peter started and hope to fulfil his wishes for the trust in supporting the community. The money has been donated to our school on the provision that we use it for a particular project to support vulnerable families.

Achievements

Learners of the week:

Barn Owls: Hector for fantastic involvement during storytime.

Owls: Rose for settling into her new class brilliantly.

Kestrels: George for excellent information writing.

Hawks: Abel for settling well and having a good first week at Hazelbury.

Eagles: William for his compassion towards others at the Aquathlon.

Pot of Gold and Credit Zone winners:

A massive well done and congratulations to:

Cianna received her silver award and Ralph his bronze. They have both worked hard to reach their pot of gold due to excellent behaviour, attitude to learning and beautiful manners. We are really proud of you. Keep up the hard work!

Other achievements:

A huge well done to Mrs Prop who has worked so hard towards a Maths qualification and passed with flying colours this week!

Dexter has achieved his 10 metres swimming badge. Lia and Aaron were awarded medals for representing Dorchester Rugby Club this year. Well done to you all.

Aquathon

Well done to all that took part in the aquathlon on Tuesday at William Barnes. You all worked really hard to swim your 8 lengths and then complete your run despite the rain! It was lovely to hear you encouraging each other and working as a team. You represented the school exceptionally well and we are very proud of you. Both teams achieved amazing times with one of our teams coming in an amazing 3rd place! A huge well done to William, Harry, James, Lewis, Finn and Noah.

We hope the children enjoyed their transition afternoon yesterday.

Finance Officer: Mrs Gibson

Breakfast Club Supervisor: Mrs Rowlands

Lunchtime Supervisor: Mrs Killminster

Barn Owls: Mrs Errington (Preschool lead), Miss Snowden and Mrs Colmer (Teaching Assistants).

Owls: Mrs Ings & Mrs Gilibrand (teachers) and Mrs Young (Teaching Assistant).

Kestrels: Mrs Odham (Teacher), Miss Bailey and Mrs Wesley (Teaching Assistants).

Hawks: Mr Williams (Teacher) and Mrs Carr (Teaching Assistant).

Eagles: Miss Allen (Teacher), Mrs Sedgbeer and Mrs Prop (Teaching Assistants).

Reports

Today your child will come home with their school report. They have a lot to be proud of and celebrate. KS2 SATs results have been postponed due to the additional bank holiday in May and therefore will be sent out separately next week.

We will be holding our annual 'drop in' parents' evening on Tuesday 18th July between 3pm and 6pm for those wishing to discuss the content of the report only.

Phone needed

If anyone has a spare phone that they no longer require but it is in working order, please could you let us know. We would like to purchase one for school use and would purchase a SIM card.

Parking

Please prevent dropping your child off on the zig zag lines outside of the main school gates. This is not safe and is a hazard being so close to the junction. Families are often at the gate too and are put at risk as traffic comes around the bend. Please also slow down on the lanes heading to school as many of our children walk or cycle and many close misses have been reported recently.

Sports Day

A huge thank you to each and every one of you for your support in today's sports day and family fun afternoon. An extra special thank you to Miss Allen for the organisation of this event, it was a great success. Each year, we have tended to trial a few different ways of working but this seemed a winner. Any feedback is always welcome. Thank you to our staff and parents for their spirit in the adult races -

the children thoroughly enjoyed these races. A huge thank you to our PTFA for our family fun afternoon and ice pops for the children, they were certainly needed.
