An extra special mention to Archie:

Archie was diagnosed with leukaemia on 4 April 2022 and moved straight into Southampton hospital for several months of intensive treatment. When he came out he couldn't walk. He was in a lot of pain and his

muscles just didn't work. He had to learn to walk again and have lots of physio. To see Archie attend his first Sports Day, win a running race, try and join the older children's long distance and be smiling from ear to ear was an absolute honour. He is an incredible young man with an incredible, strong and brave family. Archie, you really are a star!

Our PTFA also managed to raise £661.65 before expenses during this event which is amazing. All of which will go back into something exciting for the children. Thank you for the delicious food, refreshments and family fun.

You were all stars, keep shining!

Achievements

Learners of the week:

Barn Owls: To all our Barn Owl graduates for continually bringing a smile to our faces this year. We will miss you all!

Owls: Gina-Mae for her fantastic progress in swimming

Kestrels: Daniel for amazing time knowledge

Hawks: Thomas for a great first week

Eagles: All of the Eagles children for their fantastic performances of Porridge!

Other achievements:

A huge congratulations to Rufus for an outstanding achievement in your tennis tournament, where you reached the finals! Thank you for bringing in your trophy to show us.

Frankie has achieved 2 special awards recently, one for her Rainbow distance of 25 metres in swimming and also the Grade 2 in Taekwon-do which means she now has a white belt with an orange stripe.

Well done Isabelle on her level 4 swimming award!

We had many children achieving certificates this week, well done. They include Silver awards being presented to Martha, Ella, Finn and James S and Bronze awards going to Lucy, Amelia R, Tristan, Aaron, Dexy, Liam S, Bobby Y and Alfie H.

A huge thank you and well done to Miss Allen who has worked towards us achieving our Silver Sports Mark this week:

KS2 SATs results

A huge congratulations to all of our Year 6 children who received their fantastic SATs results this week. They have all individually made lots of progress this year and we are proud of you all.

Thank you for all of your hard work Miss Allen and Mrs Sedgbeer in preparing the children for their next steps in their journey.

Electronic sign in system

You may have noticed a new electronic sign in/out system in the foyer. This will be used from September for visitors and children who may be leaving or arriving at a different time due to exceptional circumstances. . It will also form part of our evacuation procedure during fire drills as it links with our SIMS register. We are bringing ourselves into the 21st century! We ask that children do not use this piece of equipment.

Meet and greets next week

Please join us next week to meet and greet your child's next teacher. At the short meetings, listed below, you will have an opportunity to ask any questions about their new year group and teachers' will share any key information with you in preparation for September.

Ofsted

We were delighted to share our final report with you earlier this week, thank you for your kind comments. We wish you were here for the full feedback and would like to share some positive comments with you that we are very proud of:

Ambitious leaders Clear assessments We all want the best for our children.

Polite and well behaved children. Fluent readers

Children spoke confidently about learning. Excellent support for SEN.

Parents are universally effusive about the school. Highly effective interventions.

Safe and happy children. Access to a range of clubs. Governors think strategically.

British values are unusually positive throughout the school. Confident leaders.

The final report can be found on our school website underneath School Information.

KS2 Play

Children you were phenomenal, I thoroughly enjoyed your play this week. Every single one of you shone in many ways and I am very proud of you all. Your report comments would have been very different had I seen this play beforehand! Well done everyone and thank you. A special thank you to Mrs Wesley, Miss Allen and Mrs Sedgbeer for all of their hard work and preparations to make this as fantastic as it was.

Toy afternoon

Your child is welcome to bring in a sensible toy that they can play in class with their friends on Friday 21 July. Do not bring valuable items in and please do encourage your child to not give away their personal belongings as this often causes upset afterwards. Year 6, you may bring in electronics but our filtering system will not allow you to get on the wifi so only downloaded games will be accessible. Again, these valuable items will be at your own risk.

Year 6 Parents...

Year 6 parents, walk your child to school one last time next week. Even if they don't want you to. Laugh about the sticks they used to collect or the paintings they so carefully carried. Reminisce about their sports days and how funny they were in their nativity. Tell them how proud you are of them and how excited you are to see them grow. Remember how little their hand was when you held it on the first day of reception. Hold that hand again as you walk with them one last time. You've done a great job!

Join us on Friday at 3.15pm on the playground to say our final goodbyes. Please stand around the outside of the playground to enable us to give them a special send off.

Attendance

'High Attendance from the majority of children,' as stated by Ofsted. Well done everyone.
