

## **English**

### **Class text- How to find gold by Viviane Schwarz**

Our children will explore our class story in a variety of ways including artwork, drama and role-play. They will respond to it in a range of ways and talk about the characters and events with increasing confidence.

The children will engage in oral storytelling and bookmaking as well as writing in role from more than one character's perspective.

Keydate- Year 1 Phonics meeting 13th September at 2.30pm

## **Maths- Place value, addition and subtraction**

Y1- We will identify and represent numbers in a variety of ways, count forwards and backwards to 20 and compare numbers. We will learn to understand, read and write the += symbols, learn number bonds and add/subtract 1 or 2 digit numbers to 20.

Y2- We will read and write numbers to 100, identify, represent and estimate numbers in a variety of ways and partition numbers into 10's and 1's. We will recall and use addition and subtraction facts to 20, derive facts to 100 and + and - numbers 1 or 2 digit numbers.

## **Science- Living things and their habitats**

We will learn about a variety of habitats and the plants and animals that live there. We will learn to tell the difference between things that are living, dead and things that have never been alive. We will make observations of a local habitat and the creatures that live there.

## **Computing-IT around us**

How is information technology being used for good in our lives? We will explore how IT benefits society in places such as shops, libraries, and hospitals. Whilst discussing the responsible use of technology, and how to make smart choices when using it.

## **Kestrels Autumn 1st Half**

**PE- (Year 2) Multiskills** The children will learn how to defend different games. They will develop their spatial awareness and dodging skills

## **Music- Pulse, rhythm and pitch**

The children will learn and explore simple patterns. Improvising and composing their own simple patterns whilst exploring how music helps us to make friends.

## **RE- What did Jesus teach us?**

We will learn to re-tell Bible stories that show kindness, and to explore how this makes Christians behave towards other people.

## **Geography- The UK**

We will find out about the 4 nations which make up the UK. They will learn vital information about each country and represent their findings in a variety of ways.

## **Art- Patterns and printing**

Inspired by works of Orla Kiely and William Morris, the children will design and make their own flora and fauna wallpaper.

## **PSHE/RSE-Rights and responsibilities**

The children will learn about how to look after themselves and their environment - at school and at home.
