Anti Bullying week

Theme for 2023 - 'Make a noise about bullying'

We will be doing lots of work next week around Anti Bullying week and the theme 'make a noise about bullying'. As well as an assembly for the whole school on the subject, the classes will be doing some individual work on their feelings, and music lessons will be linked to different types and styles of music and how these are often linked to our emotions. Mrs Phillips has arranged for each class to have a go at bell ringing this week, under the watchful eye of one of the local bell ringers, Tim. Thank you to both of them for taking the time to plan this and facilitate it for the children. We hope that you will support the work at school by having conversations at home around bullying and what it can look/sound or feel like and how it is appropriate to react if you see or hear something.

Children in Need-Be Spotacular

On Friday 17th November we will be joining in with Children In Need day. As PE Kits will still need to be worn due to our work with Premier Sports each Friday this half term, we are asking that all children bring in a pair of white socks on Monday 13th so that we can decorate these over the week, ready to wear on Friday. Children are more than welcome to bring in some money to donate towards Children In Need on the Friday also.

Kids with Bricks Club

We are excited to announce that 'Kids with Bricks' club will be starting after school on Monday 27th November, running until the end of term and then again after Christmas. Mrs Sedgbeer will be taking the club in school but it is organised, administered and supported by Kids With Bricks Ltd, an external provider who deliver after school clubs across the whole of the UK. As well as completing a range of exciting educational challenges, students will have the chance to work both individually and to work in teams. As an added bit of fun, students from the club will also take part in a weekly inter school competition where parents can vote for their favourites and points are won for the national leaderboard. This is far more than just being given a box of lego for an hour and looks like it will be both fun and educational. To sign your child/children up for the club please visit kidswithbricks.com and search for Hazelbury Bryan in the list of schools.

If your child is already attending another after school club on a Monday, don't worry they can join after Christmas. Cost per child is £3.99 plus VAT per week.

Christmas wreath making with fizz.

Christmas fayre on Friday 1st December 3.30-5.30pm!

A huge thank you to our wonderful parents, Miss Lobb, Mrs Henry and Mrs Closier, who have offered to organise a Christmas Fayre. Thank you to Mrs Odhams for supporting this event also, and to Mrs Griffin and Mrs Massey for their continued support. If you would like to volunteer on the day or can donate a cake or baked items for us to sell on the day please let us know.

Come along for festive refreshments, sweet treats, fun and games. Buy your Christmas gifts, crafts made by the children, try to win on the tombola, decorate a biscuit and even visit the big man himself! Tickets for Santa's grotto will be for sale on School Spider very soon so keep your eyes peeled.

Non School Uniform Day

To support the Christmas Fayre Monday 27th November will be non school uniform day and we would ask for donations of the following to be brought in.

Eagles and Hawks- please bring in a bottle donation
Owls and Kestrels- please bring in a chocolate donation

Christmas Clothing Amnesty

In order to help everyone reuse and recycle we will be running a Christmas clothing stall at the Christmas Fayre. So if you have old Christmas themed items at home (jumpers/dresses etc) please drop them in to the school by the 30th November.

Then don't forget to come along and have a browse on the day to see if there is something that takes your eye.

Winter Illnesses

As the weather gets colder and wetter I am sure we will see an increase in coughs and colds and minor ailments. Please remember unless your child is very unwell they are able to attend school with these. However please can you send them in with plenty of tissues if they need them, and remind them to wash their hands regularly. Thank you.

Attendance

Please work with us to ensure your child is in school every day.

Poor attendance affects life chances.

You could also be liable for a fine if your child is persistently absent. Come and talk to us if you need support with attendance.
