Sweets and treats

You are very welcome to send your child to school with sweets or treats to celebrate their birthdays. We appreciate individually wrapped or prepared items to be able to give out quickly at the end of the day. However, we ask that lollipops are not sent into school for health and safety reasons as they are deemed to be a choking hazard. Thank you for your understanding.

History...

We have now got our historic sword displayed in the foyer, please do come and take a look if you have a spare moment any time. This was discovered during building work on the school many, many years ago. There is conflicting historical evidence about it being found in the 50s or 90s. However, the sword itself is believed to be medieval, C1300!!! You may want to share your knowledge of this artefact or research it with your child/ren.

Advice from Dorset Council regarding illness

Children should be kept off school if they feel very unwell or have a high temperature. Those with mild symptoms such as runny noses, sore throats and minor coughs **do not need to stay at home.**

Please see NHS advice if any further guidance is required:
